

INTELLECTUAL CAPITAL
PART OF THE AIP GROUP

OVERVIEW / REVIEW EDITION / OCTOBER 2026

Release the Value in Your IP.

Independent IP Valuation. Capital. Transactions.

We help investors, fund managers and companies understand, value and unlock the financial potential of intellectual property.

01 / VALUATION

Understand what your IP is worth.

Independent assessment of patents, technology, software, AI, data, brands and other intangible assets.

02 / CAPITAL

Connect insight to financial opportunity.

Evidence to support fundraising, financing and investment discussions with appropriate counterparties.

03 / TRANSACTIONS

Acquire, commercialise and realise value.

IP acquisitions, licensing, spin-outs, strategic partnerships and corporate transaction support.

Discover the value of your intellectual capital.
